Store opening is from 7:00 to 14:00 every working day and Lokaltog can guaranty forklift truck driving in this time.

Date in column pick up: Lokaltog guaranty that the amount of lots are ready to pick up from 7:00 o'clock that day. Contractor can come later if wanted and better fit in plan, but need a short notice some days before

Date in column delivery: Contractor has to deliver back latest that day until 14:00. Earlier delivery back is possible if better fit in plan as long it is between 7:00 and 14:00 and short notice some days before.

Column from/to workshop: Contractor has to be aware that Lokaltog has 3 LINT41 location and use the right workshop address for pick-up and delivery.

Generally are from pick up date 7:00 to delivery date 14:00 minimum 16 working days according to Danish calendar.

Only batch 19 and 21 has 15 working days according to Danish calendar from pick up to delivery date.

Generally, has every batch 2 lots -one train set - and only one batch is it ready to be picked up at the same time. 1 lot consists of 1 engine and one hydraulic system.

But we have 42 batches and batch 5 and 42 has only one lot.

Moreover, batch 21 arrives 2 days before 20 has to be finish according to plan.
